## PACKAGING INFORMATION- *PACKAGING STATUS*

You can see the packaging status on the delivery note.

The screenshot shows the Valeo web application interface. At the top, there's a header with the Valeo logo, a language dropdown set to 'English', and navigation links like 'Administration', 'Start page', 'Contact', 'Help', and 'Close'. Below the header, a message states 'Super User logged in as'. The main content area is titled 'Delivery and transport data > Shipment for Valeo, plant: AG01 Valeo Vision Angers / AG01, Delivery date: Aug 3, 2015 (write protected)'. A 'Shipping number' field contains '141133'. There are tabs for 'Delivery notes', 'Transport units', and 'Shipping data'. The 'Delivery notes' tab is active, showing a table with columns: No., Item, Date, Item number/ Name, Eng. chg. lv., Quantity ordered, Despatch quantity, Qty U., Already delivered, Pack. stat., Type, Point of consumption, PO number, Order item, and Val. The 'Pack. stat.' column is highlighted with a red box, showing an orange dot. The table has one data row for item '90045835/CARTE LCS V526 LED' with a quantity of 432 and a status of orange.

No.	Item	Date	Item number/ Name	Eng. chg. lv.	Quantity ordered	Despatch quantity	Qty U.	Already delivered	Pack. stat.	Type	Point of consumption	PO number	Order item	Val.
	1	07/29/2015	90045835/CARTE LCS V526 LED		432	432	Each	0	●	D	UC	5522000458	00010	✓

**RED:** no packaging information available.

**ORANGE:** Packaging information are available but not linked to the shipment.

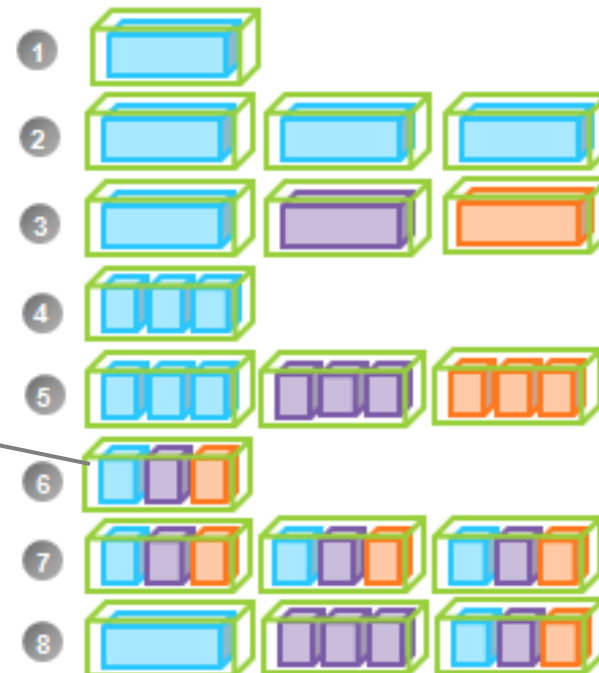

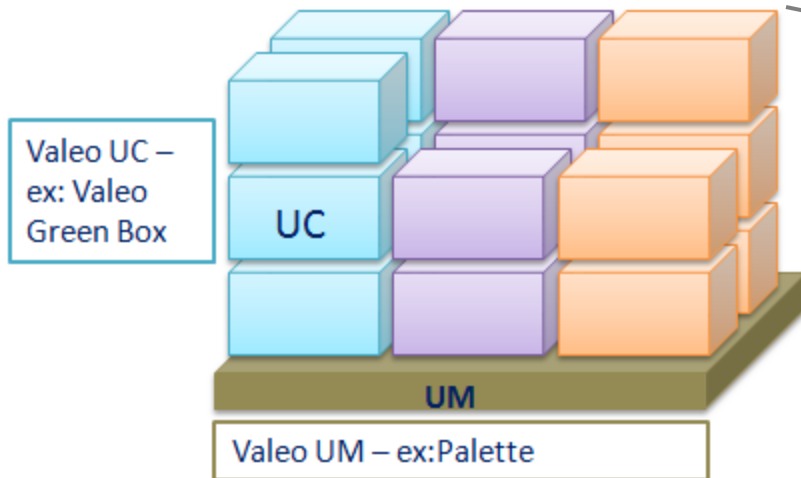

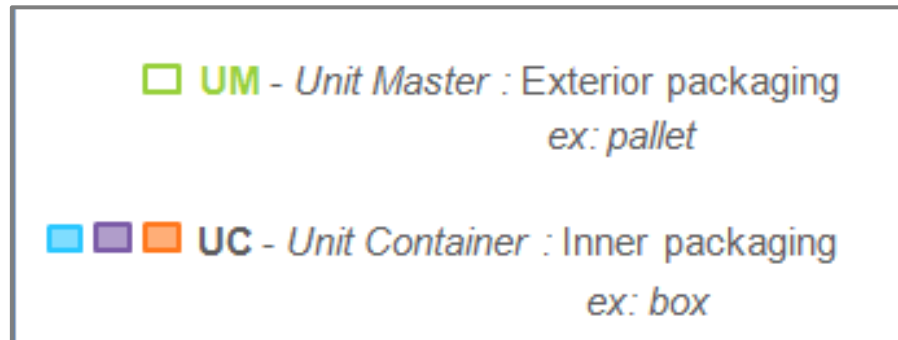

**GREEN:** Packaging information are available but inner packaging are not linked to outer packaging.

**HOOK:** Packaging information are available and Inner packaging is linked to outer packaging.

## PACKAGING INFORMATION- *PACKAGING TYPES*

The following packaging combination can be created in a single shipment message.

Automotive technology, naturally
